## Photo Highlights

### Left: Refuge Praise Party (3/12-3/22)

Halfway through the month our young adults and college students got to spend time together over Spring Break with movies, games, lunches, and a worship night. Pictured is our group from the praise party where Refuge focused on the Creator, us the created, and our response of worship.

### Center: Missions Fair (3/29)

CBC and its mission partners gathered as a group to first present the international, national, and local ministries, then moved over to the MPR for a time of enjoying desserts and talking more with the presenters. Pictured is the Czech Republic table and the initial roots they got to plant this year.

### Right: Connections Ministry (3/10)

This group of women get together once a month to work as a team and write cards for the members of our church. From birthdays to get-well-soons, they make sure to congratulate and support everyone with life events happening in that month.

Thank you Connections Ministry!

### Welcome Home Jonathan Gordon!

Joined on Mar. 15th

### Cheers to the Birthday Graduate!

We're thankful for Pastor Ahron and all the ministry he does, in and out of the church. But especially this month, CBC is excited to celebrate him for completing both his Masters of Discipleship and another year of life! Congradulations & Happy Birthday Ahron!
