A Word from the Pastor

As we spent the beginning of this month celebrating God's faithfulness and provision in 2025, may we be encouraged to be faithful in our obedience to Him in 2026 with confidence knowing that He is here and He is moving in our community. I am reminded how Paul always takes time to share a greeting of thankfulness for his co-laborers in Christ and feel led to do so as well.

I, Ahron a disciple of Jesus, called by God into His glorious presence and instructed to live for the gospel of Jesus Christ, am thankful as I remember my church family at Chatham Baptist Church and am excited to live for my savior alongside each of you this year as we share the hope of the world to the ends of the world.
