A Word from the Pastor

Luke 1:46-47

"My soul magnifies the Lord, and my spirit rejoices in God my savior."

At the very announcement of the future birth of the messiah, Mary could not contain her worship. In 2025, we have the privilege of living our lives out in the reality that the messiah has already been born, lived, sacrificed, and risen for our redemption. As we celebrate all this Christmas season has to offer, may our worship not be contained because our messiah has come to this earth once and will be returning once again to make all things new! Merry Christmas!
